**Discussion:** Council member Swanson wanted to know if the adjustment concerned items B, C, and D, and if so, how is this pertaining to the two businesses and is this allowing them to keep the trailers.

He stated many people drive up and down Bellmead Dr. and the trailers are just an eye sore. He strongly stated the council needed to stick together and clean up Bellmead Dr.

If the land was used for something else it would go back to the owners. A year later another deed was given to the city stating the McGlasson did not want the property back.
